

4WD fleet

Whether you're looking to rent one 4WD vehicle for an outback holiday or a fleet of vehicles for a major project or a Troop Carrier for a school trip or commercial lease, Buses + 4WD can help.

We're equally experienced in helping individuals or major infrastructure with their vehicle solutions of long or short term leasing when involved on construction or mining projects.

You'll find a range of extras available including an industry-based options list.
